Powering India's Digital Service Economy

EI SOLUTIONS JANASEVANA KENDRAM (OPC) PRIVATE LIMITED is a registered Indian technology company building one of the country's most comprehensive digital service and business automation platforms. From a single login, our partners deliver 50+ government, banking, finance, education and lifestyle services to citizens across India.

We combine enterprise-grade technology with grassroots reach — empowering retailers, distributors and franchise partners to run a profitable, modern digital service center under a trusted national brand. Every transaction is processed through secure, audited infrastructure with real-time settlement, instant receipts and 24×7 support.

Registered Company

OPC Pvt Ltd, MSME and GST registered with full compliance.

Govt-aligned Services

PAN, Aadhaar-linked, BBPS, AEPS and e-Governance ready.

Multi-service Platform

50+ services through one wallet, one dashboard, one app.

Trusted by Thousands

2500+ active centers transacting daily across India.

OUR MISSION

To make every Indian neighborhood a smart digital service hub.

We give entrepreneurs the technology, training and trust they need to serve citizens better and grow their income — one service, one customer, one community at a time.

One Platform. Every Service.
